

CURRICULUM ADOPTION

All course offerings in the instructional program are to be reviewed and approved by the superintendent and the board of education and shall conform to standards established by the State Department of Education.

1.0 Public School Curricula:

- 1.1 It shall be the policy of the Monroe County Board of Education that the core curricular used in all public schools of the county will be the learning outcomes as adopted by the West Virginia Board of Education. These will be implemented as received from the state.
- 1.2 In addition to the core curricula, teachers, under the supervision of the principal and county administration, will be responsible to add to and supplement their curricula to meet the individual needs and interests of the students; changing trends in the community, state, and world; objectives of the State-County Testing Program; additional concepts and objectives presented in adopted basal textbooks; to provide the fullest possible education to each child.
- 1.3 All supplemental resources will be selected on the basis of their alignment with approved learning outcomes and shall be so indicated on inter-system purchase orders.

Adopted: Board of Education Minutes - 10/5/87
