

LEASING OF SCHOOL BUSES

The Monroe County Board of Education will lease its buses to public and private non-profit organizations to transport school-age children to and from camps or educational activities.

The following regulations apply:

1. Operator must be an approved driver of the Monroe County Board of Education.
2. A lease agreement, a formal document, will be used.
3. The lessee shall pay all costs which includes depreciation, gasoline, lubricants, etc.

Any trip exceeding 300 miles round trip must have Board of Education approval; other trips may be approved by the Superintendent.
