

MONROE COUNTY FILE: KBC

NEWS MEDIA RELATIONS

It is the intention of the Monroe County Board of Education to maintain a wholesome relationship with the press, radio and television media. Representatives of the news reporting teams from the various media are welcome to attend meetings of the Board of Education, except when in executive session, and all other public school activities.

It shall be the practice of the Board and its employees to furnish news releases to the local newspapers and radio and television stations in sufficient time for them to publish the items no later than other area media.
