

SCHOOL ATTENDANCE ZONES

The Monroe County Board of Education has zoned all schools for attendance purposes and pupils are required to attend the school in the zone where they live, except that upon Board approval:

- 1.0 A pupil who changes residence to a new attendance area during the second semester may complete the school term at the school he attended before moving.
- 2.0 A high school senior who moves to a new zone may be granted permission to attend the high school in which he completed the eleventh grade.
- 3.0 A student may be, because of unusual and justifiable circumstances, transferred to another school with the recommendation of principals involved and the Superintendent of Schools.
