

SCHOOL-COMMUNITY RELATIONS GOALS

- 1.0 The Board, in an effort to ensure and enhance the possibilities for excellence in the education of our children in a free society, presents and endorses this statement of policy on school and community relations because of its conviction that:
 - 1.1 The public schools belong in every sense to the people who created them by consent, and support them by taxation
 - 1.2 The schools are only as strong as the intelligent and informed support of the people of the community, and never any stronger
- 2.0 The support of the people must be based upon their knowledge of, their understanding about, and their participation in the aims and efforts of the public schools

The Board there for reaffirms and declares its design and intent

- 2.1 To keep the citizens of the district regularly and thoroughly informed through all the channels of communication on all the policies, programs, problems, and planning of the school system, and to carry out this policy through its own efforts and the offices of the superintendent of schools and the director of school-community relations.
- 2.2 To invite the advice and counsel of the people of the school district at all times and especially at all monthly meetings of the Board, except at executive sessions.
- 2.3 To solicit the sound thinking and studied counsel of the people through advisory committees selected from the community and appointed by this Board to considered those problems which vitally affect the future of our children.
